

Activity documents

This activity contributes to the following badges:

Now this is the story all about how. My life got flipped, turned upside down. And I'd like to take a minute just sit and wait, While I tell you how to use this \LaTeX template.

I expect using this template is in the right ball park for the Media Relations badge. Unfortunately I've yet to add Explorers and Squirrels badges (except these two).

There is no badge for Adults.

1

First you need [this template!](#) Have a look at the compiled PDF and the source `main.tex`. In the preamble set your `\author{}` variable.

2

The rest of your contents will be placed between the `\begin{document}` and the `\end{document}`.

3

To start each Activity part, use the command `\activitypart{Title}`

4

To list badges on the left-hand-side, you need to add an option to that command: `\activitypart [name=text,...]{...}`.

Where name is the name of a

badge as listed in section 1 below, and text is the text you wish to appear beneath it.

5

Now use the `\Sections[]` command to specify which **Scout** sections this activity is suitable for, e.g. `\Sections[scouts,cubs]`
